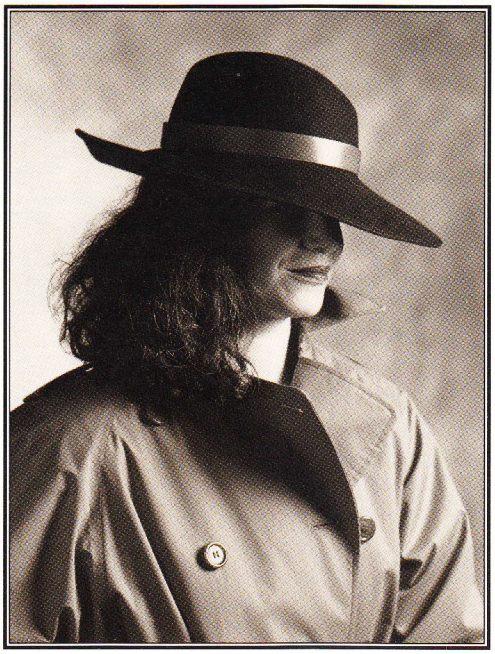
WANTED



Carmen Sandiego

Carmen Sandiego

OCCUPATION

MULTIPLE AGENT AND V.I.L.E. MASTERMIND

DESCRIPTION

Acme's crack researchers keep on digging up anomalous facts about Carmen's checkered past. Not only has she been a paid secret agent, she's been a travel agent for Club Ned and a talent agent for the Flying Banana Brothers. It has been learned that the raven-haired architect of Villains International League of Evil (V.I.L.E.) transmits heist schemes to her band of thieves via semaphore and satellite uplink from the roof of her mountain retreat in Montana. The brown-eyed Sandiego keeps in shape for her criminal shenanigans by sled racing her team of coyotes lead by her favorite, Snookers.
